✓ To disseminate information about the college through various media – Newspapers / magazines /radio/ Promo film/cable channel etc.
✓ To initiate efforts to update S.V.T. website and S.N.D.T. website with latest information

1) IQAC Publicity Committee organized an Academic exhibition and Publicity seminar for the FY JC students and their parents on the 23rd of January 2010. The staff and the student representatives explained about their respective department to the visitors. Non-teaching staff was also engaged in taking feedback from the visitors. The publicity seminar was organized Inside the Mini auditorium. The Principal, Heads and Senior faculty addressing the audience.

2) Centre of Special Education, S.N.D.T. Women’s University organized a cultural program, TARANG 2010 on the occasion of twenty five years of Arushi, the learning centre, in February 2010. The program consisted of cultural activities and stalls. SVT set up Stall at Tarang 2010 as well. The stall was visited by many parents who showed interest in knowing about Home Science College.

3) DISHA 2010 the annual college exhibition was held on the 19th, 20th and 21st of March 2010. IQAC committee undertook many innovative practices for the publicity of the college; these were

• Smses were sent to the people who had made inquiries through Shiksha.com or during any exhibition.
• Advertisements were sent in the newspaper ‘Mumbai Mirror’ about Disha.
• Cable tv (from Bandra to Borivilli) was used to pass on the message
• Instrets on web, shiksha.com regarding Disha 2010.
• Banners in colleges- Mithibai and National Colleges
• Posters in all the colleges of S.N.D.T. University.
• Letters of invites to schools, junior colleges, education counselors and the others. As a result more than a thousand people visited Disha, 80 Podar School children 25 Fidai Academy girls also visited Disha.
• Editor Education Times, Ms. Nipa Vaidya inaugurated DISHA 2010.
• Academic exhibition and Publicity seminar was held for the visitors.

4) A contract with Shiksha.com, an education portal was secured in order to provide information to all the prospective students about SVT as a College of Home Science in Mumbai.

5) CAREER MARGDARSHAN- Academic exhibition MAHESH TUTORIALS organized an academic exhibition and career seminar for the students who had passed of 10th Standard and had been tutored by them. The event was held from 2nd to 4th April 2010 at NSC Grounds, Goregoan (E). SVT College participated in the academic exhibition and the SVT stall had about five thousand people visiting it. Department of Human Development:

The T.Y.BSc. students specializing in ‘Developmental Counselling’ conducted two developmental workshops for the students of SVT Junior college on 12th January, 2010. These workshops were on the following topics :

✓ Enhancing Self Confidence
✓ Time Management

These 4 hour workshops consisted of worksheets, sensitization games, skits, role play and other activities and was found to be very interesting by the participants.

As part of the Community Outreach Program, the T.Y.BSc students specializing in Early Childhood Care and Education also conducted two sensitization workshops for the students of Std. Vth from Jasudben M.L. School, Khar (W). These workshops were on the following topics:

✓ Understanding the Street Children.
✓ Implications of Child Labor.

These workshops were conducted at the premises of the school for duration of an hour each for three consecutive days. The methodology for conducting the workshops included educational games, role-plays, video-presentations, skits, worksheets, discussion, etc. whereby the children could receive deeper insights into these socially relevant topics in an interactive as well as fun-filled manner.

2. VLCC Health Care Ltd., Khar, Mumbai
   28 students (shortlisted 9 students)

3. K-11 Gym, Santacruz, Mumbai
   28 students (shortlisted 5 students)

Department of Human Development:

Our department did not plan placement interviews this year as majority of the students were keen on pursuing higher education and they did not want to take up the jobs. 2 of our ECCE students Ms. Ankita Shah and Ms. Tara Purohit were interested in working and they have been given a job in Gopal Garden, a preschool run by the ISCKON group in Andheri. After their interview in March. They will be joining the school in June after their internship.
Many of our DC students have been offered the job of a remedial teacher at the Internship and fieldwork centers but they refused them due to their interest in higher education.

Many preschools and kindergartens have sent letters of job vacancies to the department requesting us to inform the students and ex-students about a job opening.

**Department of Textiles and Apparel Designing:**

8 students were given jobs through on-campus interviews: All students have been allotted internship placements- most will be absorbed after internship.

**Placement Interviews**

Unit cost of education per student Including the salary : Rs. 42,065

**Additional Information**

a) **Activities and support from the Alumni association:**

This year our alumni were an integral part of many activities of the department. Right in the beginning of this year, two of our departmental staff went suddenly on medical leave for a long time, and there the alumni were at our rescue. Despite their busy schedules two of our alumni Ruchita Chitalia (2002 alumni) agreed to help us resolve the staff crunch by taking lecturer and practicals for our students. Then in January, we organized the ‘Career Orientation’ for our students and here too our alumni were visible in the forefront, as they were deputed by institutions that they are working to orient our students about their PG courses. So we had alumni 2005 Mrs. Sravanti Ghosh talking about MA Counseling in the Maniben Nanavati College, Vile Parle, and Ms. Rachni Tuli presently a staff at
Department of Guidance and Counselling, SNDT Churchgate oriented the students about the courses offered by their department.

**b) Workshops/lectures conducted by alumni:**

Ms. Navleen Chandok, our alumni who passed out in 2002, presently is the Senior Co-ordinator at the Drishti Remedial Center, Andheri. She conducted a workshop on Planning the Individualized Education Plan (IEP) on 21\textsuperscript{st} Jan. 2010 for the final year students specializing in Developmental Counseling.

We are indeed very grateful to Ms. Priyanka Shah our alumni of who designed 14 colourful and attractive ECCE display posters for DISHA through her computer savvy skills in the record time of 3 days. It was really touching to see her loyalty to the HD family as she took 2 days leave from her center of work and felt that this was her way to give it back to the Alma Mata.

This year when we planned a special event “Aqua world” for children in the community on 18\textsuperscript{th} April 2010 and all our 35 final year students were involved in the planning and implementation of the event. But we needed more hands as we were expecting at least 150 children for this event. We just sent an email or an sms to some of the alumni for volunteering for this event. Right the next minute we got 10 confirmations from them. All of them enthusiastically and willingly joined us as volunteers for the event and at the end of the day. We were so thankful for their help and support for the event and when we shared this, they thanked us profusely for inviting them to be volunteers as they enjoyed the whole experience and wanted to be part of future endeavors of the department.

**c) Activities and support from the Parent-teacher association:**

During the College Annual Exhibition “Disha”, majority of the parents of the SYBSc. and TYBSc. Students from our department visited the exhibition. So this event turned out to be an informal Parent teacher meeting with many of the parents having informal discussions about the progress of their wards. Many of the parents of the TYBSC. Also wanted our inputs on the courses that their wards could take up after doing their graduation from our department. The departmental teachers could find time and guided the parents about the possible options that the students could take up looking at the potentials of the students.

**d) Performance in sports activities:**

Ms. Shruti Poddar, Trishula Jhala and Ayushi Patel from S.Y(HD) stood 4\textsuperscript{th} in the Inter Collegiate SNDT Volley Ball competition this year. Chandrika Deora was also part of the team which participated in the Basket Ball intercollegiate Competition and stood 4\textsuperscript{th} in the competition.

**e) Faculty activities:**

Dr. Suja Koshy and Ms. Archana Jain also participated in the “Global Consultation on the Child’s Right to Play” on 3\textsuperscript{rd} April, 2010 organized by the International Play association, India and Center of Human Ecology, Tata Institute of Social Sciences

**f) New collaborations:**
Our department has initiated new collaboration with 2 centers i.e. ‘Reach’, Andheri and ‘Masina Psychotherapeutic Center’, Byculla so that we can send our T.Y students for fieldwork and internship to these centers.
(More information of the dept. if needed can be added if needed from the newsletter matter which I am sending as a separate word file)

**Department of Textiles and Apparel Designing:**
