ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

S.V.T. COLLEGE OF HOME SCIENCE (AUTONOMOUS)
S.N.D.T. WOMEN’S UNIVERSITY,
JUHU ROAD, MUMBAI – 400049

Year: 2005-2006
The Internal Quality Assurance Cell (IQAC) was established in April 2004 in our College. The IQAC, has developed mechanisms and procedures for ensuring:

a) Timely, efficient and progressive performance of academic, administrative and financial tasks.

b) The relevance and quality of the academic and research programmes.

c) Optimization and integration of modern methods of teaching and learning opportunities.

d) The appropriateness and transparency of evaluation procedures and services.

e) The adequacy, maintenance and proper allocation of support structure and services.

**COMPOSITION OF THE IQAC**

- Dr. Sunanda Chande - Chairperson
- Dr. Suja Koshy - Chief Coordinator
- Mrs. Bharati Goswami - Core Committee Member
- Mrs. Manjiri Bhalerao - Core Committee Member

In the IQAC, different subcommittees were set up under the following heads to work for the improvement of quality in all the different areas of functioning of the College.

1) Academic subcommittee
2) Administrative and Finance subcommittee
3) Student welfare subcommittee
4) Examination subcommittee
5) Evaluation Subcommittee
At the beginning of the year all the subcommittees chalked out a plan of action for this academic year. Each subcommittee met at least 3-4 times a term and reviewed their plans and activities. The enthusiasm and involvement of all the staff members in the process of achieving quality has been commendable. All the different committees of the IQAC have been working with lot of enthusiasm to try and bring out a change in the functioning of the College. It indicates that the College has definitely started new positive initiatives in the right direction.

Though it is only two years since IQAC has been set up in our College, it has definitely given a direction for our College which is continually striving for academic excellence. It has given an impetus to all the staff members, to critically look at the weaknesses and strengths of the College and work towards development. The key words through the year for IQAC were goal setting, looking ahead and plan of action, initiation of new activities and programs, hard work, teamwork, accountability, etc. This is evident in the innumerable academic and extracurricular activities conducted the year around.

A visit to the Quality control Unit – Bluechip Dyechem Inds, Andheri Mumbai.

Visit to the Yarn Spinning mill.

**Department of Communication and Extension:**
To evolve and develop a scientific attitude and all round growth, efforts are made to design assignments in a scientific way e.g. Communication Technology – E.g of assignment : Photo slide making, feature articles, jingle making etc. These require the student to research before designing the assignment.

Students are sensitized to social issues through subjects like “Introduction to Communication and Extension” (F.Y.) “Non-Formal education” (S.Y.) “Rural and Urban Development” (T.Y.), “Environment and Health” (S.Y.)

To prepare students for profession and enterprise, subjects like Entrepreneurship Development and Internship are offered to the students. The workshop on “Client Servicing in Advertising and Public Relations” helped students immensely to obtain placement in agencies.

The goal of aesthetic sense cultivated is developed through assignments in the field of Photography, Visual Aids, Appreciation of Media (film making, music etc.). Advertising and PR, Photo Journalism and many more activities.
**Department of Family Resource Management**:

Discussion at the classroom level, regarding responsibilities and rights of being an alert citizen. Awareness of actions that should be taken in order to seek redressal in case of any malpractice.

Nirmitee, the annual exhibition of the department meets the following objectives by:-

- Providing an entrepreneurial opportunity to the final year students by guiding and encouraging them to conceive and venture into manufacturing and/or trading of various items.
- Exhibiting the artistic skills of first year students in creating various decorative accessories. And thereby promoting its sales.
- Providing a platform to the Interior design students to showcase their talent in representing residential and commercial interior design drawings in the form of models.

**Department of Human Development**

Organised the Santa’s funfiesta in December 2005 to prepare the students for the professional and entrepreneur skills. More than 325 children participated in this event for the whole day in which the S.Y. B.Sc. and T.Y.BSc. students of the Human Development Department participated in the planning, organizing and implementing of the total event. (See annexure 1 for photographs).

The students also sensitized other children in schools on different social issues like Children’s Rights, orphan and street children and in the process increased their own sensitivity to such issues. Subjects like “Women in Changing India”, “Child Welfare” sensitize the students to the different issues

The students were also sensitized on health issues through their involvement in a quiz and seminar on the topic of “Breast feeding and Weaning Foods”.

2. **New academic programmes initiated in your dept. (UG and PG)**

Different departments are in the process of planning certificate and diploma courses but yet has not been finalized and approved by the Board of studies.

3. **Innovations in curricular design and transaction**

**Department of Communication and Extension** :

- Introduced 1 credit worth of Research Projects for a 3 credit course of Rural and Urban Development at T.Y. VI Semester level.
- Intra Dept. Resource Utilization: Course Assignments designed by teacher and students in a given course was used as Teaching Aids by the lecturer for other courses. E.g. Assignment in the subject “Communication Technology” used for “Leadership Development” and “Introduction to Communication and Extension”.
Department of Family Resource Management

✓ In the process of restructuring the entire course structure so that the students are professionally equipped to meet the current demands of the industry.

Department of Human Development

The restructured syllabus of “Women in Changing India” offered by the department of Human Development was introduced and implemented in June 2005. The department has also initiated the overall restructuring and reformatting of the syllabus, which is planned to be implemented from June 2007.

Content analysis

The IQAC Academic committee organized a lecture on “Content Analysis” by Dr. Maithili Venkateswaran on 4th March 2006 to clarify the concept of content analysis and to draw up a format for content analysis of subjects.

**Department of Family Resource Management**

Organized a seminar on “Ergonomics, Performance and Physical fitness” in collaboration with the Department of Foods and Nutrition.

**Department of Foods and Nutrition collaborated with the Human Development**

The celebration of the Breastfeeding and Family Foods week in the Month of August was one of the big events of the department of Human Development. Two activities were planned by the Dept. of Human Development in collaboration with the Foods and Nutrition Department. These events were sponsored by ACASH and MBIAP.

The first program was a Seminar on “Breastfeeding and Family Foods” on 6th August, 2005. Here the speakers were Dr. Shailesh Gupta, a leading pediatrician of Mumbai and Dr. Tanmay Amladi, a renowned practicing pediatrician of Mumbai.

The second event was a Quiz on “Breastfeeding and Family foods”. It consisted of two rounds of the quiz – a preliminary written round of quiz for all the T.Y.BSc. students of S.V.T. College of Home Science and a final oral round consisting of 10 finalists on 22nd August, 2005. The quiz master was Dr. Tanmay Amladi who was assisted by Dr. Srivastava. The winners of the quiz were Ms. Yati Shah and Ms. Neha Chopra of the T.Y.B.Sc. (D.C) and the runner ups were Ms. Rizwana Biviji and Ms. Forum Taphkirwala from the T.Y.B.Sc. (FSN) dept.
5. Examination reforms implemented:

Though the College already had a system of moderators for moderating the answer books of students for the various subjects, for the first time, the examination department introduced the system of Moderators for the question papers. This was a step towards quality as the moderators kept in mind various aspects of good paper setting while moderating the question papers prepared by the different teachers.

6. Number of candidates qualified during this academic year : NET/SET

Though this year there has been no new candidates who have qualified NET/SET, there are 16 staff members who have already cleared their NET/SET in previous years.

35. Activities of the Guidance and Counselling unit:
The main activities undertaken by the counselor were as follows:

a) Individual one-to-one counseling
Total number of 31 students have sought the counseling services. These students have come in from varied departments and grades, though the majority of students seem to come from Degree College.

The nature of the problems that students came in during the first semester were varied, ranging from - personal relationship issues, familial issues and academic adjustments, to broadly name a few.

The nature of cases as reported in the second semester, were observed to be much deeper and severe as compared to the first semester, thus requiring longer sessions per case and requiring more active interventions. The issues have ranged from;

1. sexual, physical and emotional abuse,
2. relationship-based problems with parents, friends and
3. heterosexual relationships (romantic involvements).
4. Two students had approached with concerns regarding their careers. **Vocational guidance** and help was provided at the initial level and then these students were guided to the relevant sources for specialized guidance. (i.e. for psychometric assessments and testing)

**b) Workshops conducted**

On the 23rd of September 2005, a workshop was conducted on “**Stress management and Test anxiety**”. The workshop helped to generate ideas on:

1. How to control stress in students’ lives and
2. Ways in which students could learn to deal with the pressures and requirements of student life.
3. Lastly, the workshop helped students from all areas come together to voice a common concern, helping each other find strategies to cope, by modifying the approach to the work.

A workshop on “**Heterosexual Relationships**” was conducted on 30th January 2006. The duration of the workshop was 2 hours and 10 students attended. Through the medium of role-play, topics such as communication patterns within couples, trust, compatibility, fidelity, abuse, value differences, suicide and other common relationship-based issues were addressed.

**36. Placement services provided to students:**
Different departments guide their students in their area of interest. The internship placement for 6 weeks in different centers also help some students to be absorbed in the same organization.

When any organization sends intimation about vacancies, the same is conveyed to the students through notice boards, e-groups or telephonic messages.

**37. Students Development Activities:**
The Student welfare Committee organized the following lectures and workshops for the students.

From over 30 students who registered, 13 students from S.Y. Div. C II (Department of Human Development) were chosen to undergo the training. The sessions were aimed at equipping these students with counseling skills required for Peer Counseling. These “peer counselors” will be able to offer basic initial guidance for students who hesitate to approach the counselor for help. These students will act as a link between the students and counselor, and will therefore help increase the reach and impact of counseling services. The peer counselors will remain in constant touch with the counselor to ensure proper supervision and coordination.

Small-group learning and field projects incorporated into the teaching-learning process.

Rapport between students and teachers, which leads to helping each student to discover her own potentials.
39. Linkages
