The students conducted a survey on 12th January 2011 in Mangalwadi Community, Santacruz (west), to identify the felt needs and based on that the extension program was planned. The Urban Community Program began on 12th January 2011 in Mangalwadi Community, Santacruz (west), by mobilizing people by putting up posters for the activities.

A street play and a Puppet show was put up by the students on health and hygiene issues for the women. It was highly appreciated. The students conducted four different activities for women and children of Mangelwadi which were useful for them in their day to day life. The activities were conducted every Wednesday for which posters were put up prior to the activity to give an idea to the audience about the activity to be conducted that week. Half activities were conducted in Dutt Mandir and the remaining activities were conducted in
Jivdani Mandir, in the mangelawadi. These activities were conducted under the guidance of experts from various fields.

The first activity was conducted 19th January 2011 under the expert Dr. Kirandeep Pruthi (counsellor) from SNDT University with group members Nikita Narvekar, Nikita Padate, Upasana Patel. She conducted body relaxation and stress relief activity where she made the audience perform some exercises and she also had an interactive session where in the audience discussed about their problems.

The second activity was conducted on 19th February under the expert Mrs. Jayeshree from Stree Shakti Kendra NGO with group members Palak Pandey, Apurva Pednekar and Pooja Tanna. She spoke about Bachat Yojana Schemes and entrepreneurship.

The third activity was conducted on 23rd February 2011 under the expert Ms. Bhavika Shah from post graduation department of SNDT University with group members Upaasana Aggarwal, Mehzabin Haju, Dhanada Kavle and Zeba Zamindar. She spoke on the causes, effects and the ways and means to prevent diseases like malnutrition and anaemia. She also gave some nutritional recipes and tips on making nutritional food available in their homes. She also distributed the nutritional recipe handouts to the audience.

The fourth activity was conducted on 9th March 2011 under the expert Dr. Chitra Nayak (skin specialist) with group members Pooja Shah, Gayatri Mohanty, Alka Soni. She spoke about how to keep your skin good and glowing, reasons for different skin diseases and how get over those skin diseases. After all the four sessions there was a feedback taken through a feedback form. The feedback was good and positive from the audience.

YMCA Centre:

Students conducted Intervention Programs at YMCA Centre, Juhu, for the street children in the age group 5 years to 16 years. The students explored the need of the street children by speaking to the person –in-charge Mr. Manoj Sonawne and the feedback from the target group. Experts were invited and the following sessions were conducted, Importance of Healthy Diet, Exercise and Fitness, also flower making was taught to them under vocational training. The programmes were highly appreciated by all.

Students conducted Intervention Programs at YMCA Centre, Juhu, for the street children. Experts were invited and the following sessions were conducted:

The first session was conducted on 23rd February under the expert Mr. Francis Mcwan, a Medical Representative. He gave information to the children about their dietary intake.

The second session was conducted under the expert Dr. Manjeet Kaur Chauhan and Mrs. Himani Malhotra from FRM Department, SVT College. The program was coordinated by the following students, Upaasna Aggarwal, Mehzabin Haju, Dhanada Kavle and Apurva Pednekar. The experts performed exercises with children to keep them stress relief and to keep their body fit and healthy. Their weights were measured. They also distributed biscuits and banana to the children.
The third session was conducted under the expert Ms. Sabina Khan and Ms. Safina Khan from Balkanjibari coordinated by the following students, Zeba Zamindar, Palak Pandey, Pooja Shah and Gayatri Mohanty. They taught the boys to make flowers out of stockings. Every boy made his own flower and this activity would help them in self employment.

The workshop was conducted for the T.Y D – III students of the department on the points to be remembered for writing screenplay for television serials. The duration of the workshop was 2hrs. The speaker gave the group a task of writing a screenplay for one scene from the story assignment of the students. She then made them read the screenplay and gave them her feedback.

The workshop was for three hours duration. The first half of the session was conducted as brain storming session to conceive the idea, collecting the data, constructing and editing. He also discussed the news values. The later half of the session was devoted for the correction and suggestion for the title and the different issues related to the main theme. Mr. Ribero checked all the articles written by the students. It was a mind blowing session. The feedback from the students were very positive.
