**SECTION IV**

This section deals with Student Mentoring and Support System existing in the institution. This includes student activities, mentoring, and opportunities for development and inclusive practices.

<b>27. Student Details and Support Mechanisms</b>		<b>HOD</b>
1	The total intake of students for various courses (Sanctioned)	400 F.Y.BSc.
2	Actual enrollment during the year	267 F.Y.BSc. 200 S.Y.BSc. 161 T.Y.BSc. Total 628
3	Student dropout percentage during the year	6.4 %
4	Success percentage in the final examination across the courses	72.1%
5	Number of academic distinctions in the final examination and percentage	5.73%
6	Number of students who got admitted to institutions of national importance	Information not available
7	Number of students admitted to institutions abroad	Information not available
8	Number of students qualified in UGC NET/ SET	Information not available
9	Number of students qualified GATE/ CAT/ other examination (Specify)	Information not available

**28. Does student support mechanism exist for coaching for competitive examinations?**

**29. Student participation, if response is yes to Qn. 28**

1	Number of students participated	--
---	---------------------------------	----

**30. Does student counselling and guidance service exist ?**

**31. Student participation, if answer to Qn. 30 is yes**

1	Number of students participated	Counsellor
---	---------------------------------	------------

**32. Career Guidance**

1	Number of career guidance programmes organized	07
2	Percentage of students participated in career guidance programmes	100%

**33. Is there provision for campus placement?**

Yes

**34. If yes to Qn. 33**

1	Number of students participated in campus selection programmes	FN-0, TAD – 9, Mass Comm-0, RM-0 HD-0
2	Number of students selected for placement during the year	FN-0, TAD – 3,

**35. Does gender sensitization program exist?**

No

**36. If Answer is Yes to Qn. 35**

1	Number of programmes organized	0
---	--------------------------------	---

**37. Student activities**

1	Number of students participated in external cultural events	}	84
2	Number of prizes won by students in external cultural events		22
3	Number of cultural events conducted by the institute for the students		06
4	Number of students participated in international sports and games events	}	0
5	Number of students participated in national level sports and games events		01
6	Number of students participated in state level sports and games events	}	0
7	Number of students participated in university level sports and games events		02
8	Number of prizes won by students in international sports and games events		0
9	Number of prizes won by students in national level sports and games events		0
10	Number of prizes won by students in state level sports and games events		0
11	Number of prizes won by students in		01

	university level sports and games events	
12	Number of sports and games events conducted by the institute for the students	09`

### 38. Composition of students

1	Percentage of Scheduled Caste	6.5%
2	Percentage of Scheduled Tribe	0.3%
3	Percentage of other backward communities	9%
4	Percentage of women Students	100%
5	Percentage of physically Challenged	0
6	Percentage of rural students	-
7	Percentage of urban students	100%

### 39. Scholarships and Financial Support

1	Number of students availing financial support from the institution	06
2	Amount disbursed as financial support from the institution	Rs.42,895/-
3	Number of students awarded scholarship from the institution	0
4	Number of students received notable national/international achievements/recognition	0

### 40. Student initiatives

#### Student initiated the idea or conducted an activity on their own.

Number of community upliftment programmes initiated by students	0
Number of literary programmes initiated by students	0
Number of social action initiatives based on science / environment initiated by students	0
Number of student research initiatives	0

## SECTION V

This section surveys the Governance and Innovation at the institution related to quality management. The educational management strategies adopted and in practice for achieving the objectives are focussed.

**41. Whether perspective plan for overall developmental activities is created?**

Yes

No

**42. If the answer for Qn. 41 is Yes, is the plan implemented and monitored?**

Yes

No

**43. Whether benchmarking is created for institutional quality management efforts?**

Yes

No

**44. If the answer to Question 43 is Yes, please list the benchmarking in various areas of development in bullet format**

**45. Is a Management Information System (MIS) in place?**

Yes

No

**46. If answer to question 45 is Yes, please provide details of MIS applied to**

(enter the respective details corresponding to the serial numbers)

1. Administrative procedures including finance
  2. Student admission
  3. Student records
  4. Evaluation and examination procedures

5. Research & Publication

6. Others

(enter the respective details corresponding to the serial numbers)

1. College Principal is the administrative head of the institution. College is governed by Board of Management headed by Vice Chancellor of SNDT Women's University. College is an autonomous and conducted college of SNDT Women's University under Government of Maharashtra. The College also seeks funding from various schemes of University Grants Commission. The College has statutory bodies like Finance Board, Academic Council, and Board of Studies.
2. Student admissions are online and based on merit.
3. Student records are maintained online as well as in print.
4. As College is an autonomous institution, it has an Examination Department of its own which conducts all the examinations. The College has guidelines for examination system which are in tune with the S.N.D.T. Women's University guidelines. GPA is given to the students in the final year examination.
5. IQAC Committee facilitates the research and publication of faculty.

#### 47. Existence of learning resource management

	YES	No
E-database in library	√	
ICT and smartclass room	√	
E-learning sources (eBooks, eJournals)	√	
Production of teaching Modules		√
Interactive learning facilities	√	

#### 48. Internal resource mobilization : Kindly provide the amount contributed

Research	Funding received from TANITA Health Project (Rs.80,000/-)
Consultancy and training	Funding received from Urban Nutrition Study (Rs. 3,74,220)
Student contribution	--
Alumni contribution	S.V.T. Alumni Association Fund (Rs.2,08,658)
Well-wishers	Donation from Tera – Pak (Rs.10,000)
	Donation for University Gold Medal (Rs.3,00,000)

**49. Infrastructure and welfare spending: Please specify the amount**

Amount spent for Infrastructure development	Rs.5,40,189/-
Amount spent for student welfare	Rs.38,703/-
Amount spent for staff welfare	Rs.47,000 /-

**50. Is delegation of authority practiced?**

Yes

No

**51. Does grievance redressal cell exist ?**

	YES	NO
Faculty	√	
Students	√	
Staff	√	

**52. Grievances received from faculty and resolved( Enter a number; 0 for nil)**

Number of grievances received	0
Number of grievances resolved	0

**53. Number of grievances received from students and resolved ( Enter a number; 0 for nil)**

Number of grievances received	06
Number of grievances resolved	06

**54. Number of grievances received from other staff members and resolved ( Enter a number; 0 for nil)**

Number of grievances resolved	0
Number of grievances resolved	0

**55. Has the institution conducted any SWOT analysis during the year**

Yes

No

**56. The SWOT analysis was done by internal or by external agency**

Internal

External

**57. Kindly provide three identified strengths from SWOT Analysis (in bullet format)**

1. Academic autonomy.
2. Improved infrastructure.
3. Strong leadership.

**58. Kindly provide three identified weaknesses from the SWOT analysis (in bullet format)**

1. Single faculty; college in composite building of the University.
2. Faces space constraints.

**59. Kindly provide two opportunities identified from the SWOT analysis (in bullet format)**

1. Starting an integrated post-graduate degree programme in addition to those offered by the University PG Departments.
2. Increased involvement of faculty in conducting research; e.g. Ph. D., major / minor research projects.

**60. Kindly provide two identified challenges/threats from SWOT analysis (in bullet format)**

1. Many specializations of Faculty of Home Science are being offered by other educational institutions as full time specialized courses. This may affect student enrolment.
2. Consistent need towards technological obsolescence and upgrading technology may pose challenge.

**61. Identify any significant progress made by the institution towards achieving the goals and objectives during the year (list below in bullet format)**

1. Work on introducing B. Sc. (Honours) programme in seven specializations under Faculty of Home Science from academic year 2015-16 with choice-based credit system.
2. Use of ICT in teaching-learning process is on the increase. A number of faculty are using interactive boards and other gadgets for the teaching.
3. Increased number of faculty is engaging in research, undertaking consultancies, and having collaborations with corporations, NGOs, educational institutions with an effort to reach out to community at large and other stakeholders of the institution.

**62. How do you perceive the role of NAAC in the quality development of your institution?  
(Suggestions in bullet format to be given below)**

1. NAAC reaccreditation (third cycle) carries a weightage and 'A' grade symbolizes the concerned effort of the institution towards academic excellence.
2. Funding from UGC and other sources will get facilitated to the institution with NAAC reaccreditation (third cycle), autonomous status for last eighteen years, and College With Potential for Excellence (2006-2012).
3. The NAAC reaccreditation is an effective tool to introspect and set goals and march towards academic excellence and quality.

**8.**

**CONCLUDING REMARKS**

This exercise is intended to make a self analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analysed to get a cumulative index for the period of accreditation and reaccreditation. Any substantial changes / initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create a quality profile based on the total score index arrived at and this would help to map the institutions' strengths and areas of improvement.

NAAC will provide feedback and a quality profile based on analysis of your inputs if you desire so.

Thank you for your participation.
