Admission Procedure

ELIGIBILITY CRITERIA

Students who have passed HSc or Std. XII examination or it's equivalent with English as one of the papers are eligible to take admission. For Specialization in Food and Nutrition only students with Chemistry and Biology in XII grade are eligible.

A student of the other University seeking admission to the B.Sc. Program under faculty of Home Science shall apply to the SNTD Women's University for a Certificate of Eligibility / Migration Certificate. No student of other University shall be admitted to the College except on the production of a Certificate of Eligibility, issued by the University.

The University may issue a Provisional Certificate of Eligibility if it is satisfied that the applicant is prima facie eligible for admission to this University. Such provisional certificate shall enable the candidate to get admission to the College at her own risk, on the condition that she obtains a Final Certificate of Eligibility and Migration before the close of the academic term in which the candidate is provisionally admitted to the University.

Application forms of candidates from other university will not be accepted if they are not accompanied by Provisional Certificate of Eligibility. Similarly the Transfer Certificate will have to be produced by the candidate wherever necessary. If a candidate fails to obtain the Final Certificate of Eligibility and Migration Certificate while coming from other than S.N.D.T. Women's University and Transfer Certificate from college of S.N.D.T. Women's University before the close of the academic term, in which she is provisionally admitted to the University, her admission to the College during the term is liable to be cancelled.
