- ◇ Textiles and Apparel Designing

**Duration:** The Duration of B.Sc. (Honors) and B.Sc. (Regular) Program under faculty of Home Science is three years / six semesters.  
Each semester consists of 14 to 16 weeks.

**Medium of Instruction:** English

### **Dual Form Application Process**

The application process includes **submission of two** different **forms** on two separate websites / portals.

- College website

**College Admission Form:** Fill up this on <http://svt.edu.in> and upload all the required documents.  
Take print out for your own record.

- University portal

**Online Application for Admission** on <http://sndt.digitaluniversity.ac> and take print out for your own record. The PDF of this University form has to be uploaded in the College admission form.

You will receive an eSuvidha ticket which should be kept carefully as it is required every time you log into the University portal.

### **Procedure of Application:**

#### **STEP 1:**

- Students desirous to join the Degree program at Sir Vithaldas Thackersey College of Home Science (Autonomous) should apply online on the College website <http://svt.edu.in>. Check the admission notices section (SENIOR COLLEGE ADMISSION FORM (2021-2022)) on the College website.
- Students should decide their preference for the specialization of B.Sc. Program. They must indicate their preference for specializations and rank them accordingly (1 to 7).
- Take a print out of the College admission form for your own record.

**STEP 2:**

- Students desirous to join the Degree program at Sir Vithaldas Thackersey College of Home Science (Autonomous) should also apply online at the S.N.D.T. Women's University Portal <http://sndt.digitaluniversity.ac> (MKCL) under Sir Vithaldas Thackersey College of Home Science (Autonomous). The admission form should be submitted online on the University portal and take print of the admission form for your own record.

**STEP 3:**

**Upload good quality copies of all the required documents. Refer to the list of documents provided separately.**

**STEP 4:**

- Students whose names are displayed in the First Merit list (in any specialization) should secure admission by paying the fees. **If they do not pay the fees as per the first merit list, they will not be considered for the second merit list.** If there is a seat vacant for their first preference, they will be automatically transferred to that particular specialization in the second merit list.
- In case if a student has not got admission in her choice of specialization after the third merit list - she should participate in Counselling Sessions arranged by the College. The request will be considered **ONLY** on the basis of merit and availability of seats. This procedure will close by the given date. Transfer from one specialization to another specialization is not allowed after the specified date mentioned in the admission schedule.
