Hostel accommodation

Hostel accommodation is provided by the S.N.D.T. Women's University at Juhu campus and Churchgate campus. However, till date, there is no circular from the University regarding Hostel Admission.

- a) The University Juhu hostel has been closed since March 2020 and it is likely that the hostel will only be reopened in a phase wise manner i.e. only a few rooms would be allotted in each phase.
- b) The hostel is managed by the University and limited seats are offered to SVT College. These seats are for the students of the aided program only.
- c) The post graduate students of unaided self-financed programs are therefore informed to arrange for alternate private hostel or paying guest accommodations for their stay in the city. The local classmates are encouraged to help out station students to find such facilities.
