Hostel accommodation

Hostel accommodation is provided by the S.N.D.T. Women's University at Juhu campus and Churchgate campus. Circular from the University regarding Hostel Admission is awaited.

The hostel is managed by the University and the total available seats are shared among the colleges and departments in Juhu campus. The seats allocated to the students of SVT College are limited.

If the University Hostel opens, students will be informed about the same by the College Office.

As there is no guarantee for hostel accommodation, all students seeking the same, are requested to find private hostel or PG accommodation. This information is available on the internet. The local classmates can also help these students to find such facilities.
