Dual Form Application Process

The application process includes **submission of two** different forms on two separate websites / portals.

- College website

College Admission Form: Fill up this on <http://svt.edu.in> and upload all the required documents.

Take print out for your own record.

- University portal

Online Application for Admission on <http://sndt.digitaluniversity.ac> and take print out for your own record. The PDF of this University form has to be uploaded in the College admission form.

You will receive an eSuidha ticket which should be kept carefully as it is required every time you log into the University portal.

Procedure of Application:

STEP 1: SVT Admission Application Form

- Students desirous to join the Degree program at Sir Vithaldas Thackersey College of Home Science (Autonomous) should apply online on the College website <https://svt.edu.in/admissions-2024-25/> Check the admission notices section (Under Graduate ADMISSION FORM - 2023-2024) on the College website.
- Once the registration is completed, students would receive a form number and an email regarding further process of filling up the form.
- Students should decide their preference for the specialization of B.Sc. Program. They must indicate their preference for specializations and rank them accordingly (1 to 7).
- Take a print out of the College admission form for your own record and for document submission in the College.

STEP 2: sndt.digitaluniversity portal Admission Application Form

• Students desirous to join the Degree program at Sir Vithaldas Thackersey College of Home Science (Autonomous) should also apply online at the S.N.D.T. Women's University Portal <http://sndt.digitaluniversity.ac> (MKCL) under Sir Vithaldas Thackersey College of Home Science (Autonomous). The admission form should be submitted online on the University portal and take print of the admission form for your own record.

This step is optional now. In case of any technical issue this step should be completed later on.

STEP 3: Uploading documents

Upload good quality copies of all the required documents. Refer to the list of documents provided separately. Make sure that documents are in PDF format and don't exceed 500 KB for each document. Otherwise you won't be able to submit the form.

STEP 4: Fee Payment

- Students who will submit the application forms duly complete with the relevant documents would receive an email regarding their admission based on the eligibility and preferences mentioned in their application form.
- The fees for FY BSc are **Rs. 30,900/-**. The fees for open and reserved category are the same.
- Fee payment link will be given in the same mail. Students should secure admission in the specialization offered, by paying the fees. **If they do not pay the fees within 7 days of receiving the link, they will not be considered further in the admission process.** If there are seats vacant for their first (or higher) preference, they will be automatically transferred to that particular specialization at a later stage in the admission process **before the Orientation Program.**
- In case if a student has not got admission in her choice of specialization till the end of the admission process - she should participate in Counseling Sessions arranged by the College. The request will be considered **ONLY** on the basis of merit and availability of seats. This procedure will close by the given date. Transfer from one specialization to another specialization is not allowed after the specified date mentioned in the admission schedule.
