- **Community Adoption - TRIBAL and URBAN on a sustained basis for 5 years with Impact Analysis**.
- **STUDENT HEALTH CARD - Intervention based approach** on physical and mental health card for FY BSc students
- **Student Engagement and Sensitization - Student led projects**

A photograph of a dirt path winding through a dense forest. The trees are tall and thin, with green foliage. The ground is covered in fallen leaves and moss. The lighting is soft and diffused, creating a misty atmosphere. The text is overlaid in white, sans-serif font.

Do not go where the
path may lead, go
instead where there is
no path and leave a trail.

- Ralph Waldo Emerson

THANK YOU!
