SVT Incubation Centre - Progressive Steps to Success

Objective:

The primary objective aimed to provide mentorship and resources to nurture entrepreneurial initiatives.

Context:

Students have creative ideas and use the facilities of the incubation centre like 3D printers, Laser Cutter (CSR Funds from Capricorn Realty) to incubate their ideas.

Practice:

The EIP cell offered mentoring, seed funding (for 4 students), networking opportunities. Students participated in Smart India Hackathons and have won accolades at National Level.

Outcome:

Centre had incubated student startups, launched their ventures across diverse sectors. The students have developed their prototype and piloted their ventures.
